

# NIGHT-LITE™

## E-SERIES ELECTRIC WINCH

Built to be easily deployed across special events, the **Night-Lite™ E-Series Electric Winch** is a plug in unit made to withstand 50 mph winds. With multi-directional forklift pockets and Eco-friendly features, such as no gas tank, causing no fumes to release when this unit is running, this light tower is meant to last. The **Night-Lite™ E-Series Electric Winch** offers a 154,000 lumens output to light up your space with 4 LED light fixtures, as well as a automatic on and off functionality with a timer and photocell. The **Night-Lite™ E-Series Electric Winch** is the perfect choice for special events, building construction, and infrastructure construction.
