

# NIGHT-LITE™

## E-SERIES MANUAL WINCH

Built to be easily deployed across special events and construction sites, the **Night-Lite™ E-Series Manual Winch** is a plug-in unit made to withstand 50 mph winds. With multi-directional forklift pockets, caster wheels, and eco-friendly operation, this light tower is easy to use and meant to last. The **Night-Lite™ E-Series Manual Winch** offers four LED fixtures with 147,344 total lumens, as well as an automatic on/off functionality with a timer and photocell. The **Night-Lite™ E-Series Manual Winch** is the perfect choice for special events, building and infrastructure construction.
