

Maxi-Lite II

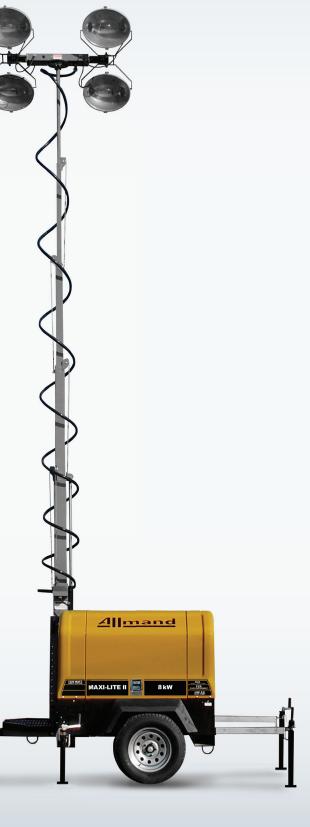

V Series® 4-Light

542,000 TOTAL LUMENS

WITH METAL HALIDE FIXTURES

277 HOUR RUN TIME WITH LED'S

26 FT. 8 IN. HYDRAULICALLY ACTUATED TOWER

Maxi-Lite[®] II

V Series® 4-Light

Whatever your jobsite needs, the Maxi-Lite® II V Series® can deliver, with multiple engine options and 542,000 total lumens of lighting. It features 100 gallons of fuel capacity to provide up to 277 hours of non-stop operation (with LED's). The gull-wing style doors offer easy access to engine and generator, and rear control/outlet panel and remote oil and engine coolant drains make for easy operation and servicing. Built with a rugged trailer frame with full Fluid Containment System (FCS), hydraulically actuated tower and ability to withstand 65 MPH steady winds, this light tower will deliver the goods to get the job done right.

KEY FEATURES

- SLS Sequenced Light System
- (2) 50 Gallon Polyethylene Fuel Tanks
- Full Fluid Containment System
- Five-Point Stabilizer System
- Below-the-Frame Forklift Pockets
- Lifting Ring
- Removable Drawbar
- Gull-Wing Style Doors
- External Oil and Engine Coolant Drain

OPTIONS

Arctic Package

- Heavy-duty battery
- Block heater (120 VAC)
- Interior work light
- Arctic hydraulic fluid

Arctic Max Package (only available with Arctic Package)

- Heated fuel/water separator
- Radiator cover
- Low fuel beacon
- Adjustable air vent cover panels
- Diesel fired block heater
- Dual heavy-duty batteries
- LSC with E-Stop Package

LED Package

- (4) LED light fixtures

LSC™ with E-Stop Package

- LSC Light Sequence Commander™ automatically starts engine at sunset and shuts down engine at sunrise - programmable
- Emergency stop switch on exterior of machine

AirStar Package

Balloon Light features the AirStar Flex diffused lighting system using Allmand* exclusive bulbs. This system provides reduced glare while still illuminating a large area.

- Telematics Package
- Engine Air Intake Shut-Off Valve
- 2 5/16 in (50.8 mm) Bulldog® Coupler
- Custom Paint
- Skid Mount Available on Standard SKUs

WHY ALLMAND®

When it comes to managing a jobsite, you want equipment that will not fail you when you need it most. You're looking for trust and reliability. Allmand' brings that to your jobsite, with over 75 years of respected experience. Our focus on Service and Support allows users to get the parts, technical service and support they need. Product innovation has helped us develop state-of-theart towable jobsite equipment, bringing portable light towers, mobile industrial heaters, flashing arrow boards, portable light stands, portable air compressors and mobile generators for the construction, mining, oil & gas, and rental markets.
